

# We can help you scale the Medicaid cost containment summit

[commed.umassmed.edu/summit](http://commed.umassmed.edu/summit)

**UMass Medical School provides technical, operational and strategic assistance to numerous health and human service agencies,** helping Medicaid programs improve the quality, delivery, and cost effectiveness of care.

**Identified and recovered over \$21 million**

in Medicare premium overpayments for Medicaid members with discrepancies in Medicare entitlement, premium rates and charges

Performed plan-specific budget impact analyses for over **275 medications** since 2017

**Realized over \$68 million**

in new savings over last three years by optimizing benefits for Dual Eligible members

**Handle over 113,000**

prior authorizations and **100,000** member phone calls annually

**Achieved over \$125 million\***

in savings by uncovering real estate assets owned by Medicaid LTC applicants

\* Based on average cost of a 2-year stay in a nursing home in MA.

**Cost-avoided over \$250 million**

for one state Medicaid program in FY17 through drug utilization review and clinical programs
